Dear Shareholder:

I am pleased to inform you of the issuance of additional shares of Codorus Valley Bancorp, Inc. (the "Corporation") common stock.

On October 13, 2015, your Board of Directors authorized the payment of a five percent (5%) stock dividend for each outstanding share held on the October 27, 2015 record date. The authorization of this five percent stock dividend by your Board of Directors reflects the continued strong financial performance and growth of the Company. This stock dividend does not change your proportionate investment in the Corporation.

Your additional shares are being issued in direct registration on the books with Wells Fargo Shareowner Services, the Corporation's stock transfer agent. You will not receive a stock certificate unless you request it. It is important to keep a copy of the enclosed statement, which contains information that may be required for future transactions.

Fractional shares are only issued on shares that were purchased through the Dividend Reinvestment and Stock Purchase Plan (the Plan). A statement is enclosed for Plan participants. For those not in the Plan, a check is enclosed for the proceeds of the fractional shares.

The stock certificates you presently hold are still valid and should not be destroyed or exchanged. All certificates will continue to represent the same number of shares as shown on their face. You may choose to convert these shares into book-entry form by following the instructions on the back of your Direct Registration Statement. If you have questions please contact the Corporation's transfer agent at:

Please contact your personal tax advisor for more information.

We sincerely appreciate your investment and confidence in the Corporation. As always, we welcome your questions and comments.

Sincerely,
